"TODAY" in Inquirer - 8/13/72

Q Who is the person signing himself "Cyclops" in Life magazine and doing those really tough television reviews?

A *Life's* TV reviewer is John Leonard, who also is editor of *The New York Times* book review section. Rumor has it Leonard isn't particularly interested in being a one-eyed anonymous reviewer, but the *Times* insists that his byline be an exclusive with them.
